

ESSENTIAL INFORMATION

CONNECTIONS EUROPEAN RIVER CRUISE JOURNEYS

PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of two (2) blank visa pages for entry and exit stamps for each country visited.

Holders of U.S. and Canadian passports are not required to obtain a tourist visa for entry into any of the countries visited on Connections European River Cruise Journeys.

Our partner VisaCentral offers easy, efficient U.S. passport and visa processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K's account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

LOCAL HEALTH & SAFETY PROTOCOLS

Visitors are required to maintain medical insurance that is valid for the cost of emergency care and evacuation for the duration of their stay in Czech Republic. You may be required to show proof of medical insurance upon arrival.

CASH & CREDIT CARDS

The currency on board the river ships is the euro. Guest accounts may be settled by cash (euro or U.S. dollars) or credit card (AMEX, Diners Club, MasterCard or Visa). No exchange facilities are available on board the ships.

Major credit cards are widely accepted, and ATM access is common. In smaller cities, shops and cafes may prefer cash payment for goods and services. Banks and exchange facilities may refuse US dollar denominations of \$50 and \$100 if they are not equipped with devices to identify counterfeit currency.

Non-European Union resident tourists can, in most cases, apply for a refund of the VAT paid on gifts and merchandise bought for export out of an EU country. The refund should be requested at the last port before departure from the EU. Please note: Switzerland is a non-EU country, and you cannot obtain a VAT customs stamp or VAT refund for goods purchased in the EU when departing Switzerland.

PACKING LIST

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to find and manage your luggage for you.

Clothing

Choose versatile, casual clothing that can be layered if the weather (or level of air-conditioning) requires. Cotton and other light fabrics are comfortable choices for summertime. Cathedrals, churches, and other religious sites require conservative dress. Arms and shoulders should be covered.

Amadeus Queen' features an indoor pool with a partially retractable-roof. The ship does not have a medical doctor on board. Hairdresser and massages are available by appointment. An onboard shop sells small souvenirs, post cards, accessories and a limited supply of everyday products.

On board your river ship, all meals are included and served in the Restaurant which accommodates all guests in one or two seatings. Tables are especially reserved for the A&K group on board. A minimum distance of five feet (one and a half meters) measured from table corner to table corner is observed in the Restaurant as well as in the Panorama-Bar and Amadeus-Club.

In general, breakfast is served buffet-style with egg dishes cooked to order. Lunch consists of buffet specialties in the restaurant, or a light lunch alternative is offered in the Panorama bar. Buffet-style meals will be served by staff and service may need to be adjusted depending on the number of guests on board. Dinner is usually four courses. Expect "international style" menus flavored by the cuisines of Central Europe. A&K programs include one bottle of water in your cabin daily and bottled water, coffee, tea, soft drinks, beer and house wine are included with lunch and dinner. Other alcoholic beverages can be purchased and charged to your passenger account. All bottles of wine or champagne brought on board by passengers for consumption in the ship's restaurant, bar or public areas are subject to a €10.00 corkage fee per bottle. Coffee and tea are also available at a self-serve coffee/tea station throughout the day.

Smoking is not permitted anywhere on board except designated exterior areas.

On board your river ship, each cabin features a GSM direct-dial telephone. The current cost of GSM (cellular) is € 2.00 per minute for calls within Europe and € 4.00 for calls to the USA (rates subject to change).

Wireless internet connection is available and is complimentary for all A&K guests on a Connections European River Cruise Journey. The connection may be weak in certain areas (especially below bridges and next to tall buildings) and cannot be compared to the regular hotel standard on land.
